Dear Sirs,

For many years, I have been interested in these U. F. O. reports. I live on Vashon Island, and I think I have seen U. F. O's. It was 3 nights ago, on Sept 18, I saw, at 9:30 p.m., 3 bright objects in formation, flying North. They were gone in about 20 seconds. (HORIZEN TO HORIZEN) I wish you could send me some reports or perhaps pictures, on some U. F. O. reports. I do not plan to pass this information around but to keep it for my good, and interest. Also does the U. S. have squasers (flying) but are keeping secret? Please send me information to me if you can.

Thank-you
